ABOUT US

Our company, Panda, has been working on the manufacture, export and import of passenger & commercial vehicle accessories since 1983. Besides our premium auto seat cover factory , our company, is the representative of many high quality Turkish manufacturers , offers a wide range of products to our business partners with fast shipping, competitive prices and constantly new products.

We are the largest premium auto seat cover manufacturer in Europe. 'Industry 4.0' based automated new technological production line, R&D and quality control departments , with more than 200 qualified personnel in 4500 sq. meters closed area.

With our Panda brand, we desire to work together with all our business partners by means of honest trade based business ethics and trust by offering high quality products to the market

EXPORTS TO MORE THAN 70 COUNTRIES

▶ Panda has focused on export activities since its establishment, exports to more than 70 countries today.
